NOTICE OF INTENT TO PARTICIPATE

Pursuant to the Copyright Office's Order dated November 15, 2002, KUGS-FM, Bellingham WA, hereby gives notice of its intent to participate in the Copyright Arbitration Royalty Panel proceedings to adjust royalty rates and terms under the statutory license for eligible nonsubscription services to make certain digital audio transmissions of sound recordings for the 2003-2004 period.

Congress, in 17 U.S.C. § 802 (c), has provided the Librarian and the arbitration panel great latitude in determining the manner and proportion of arbitration panel costs to be borne by participants. Funding for KUGS is provided by the Associated Students of Western Washington University and is dedicated to the operations of the station. KUGS has very limited financial means to participate in the CARP arbitration proceedings. We therefore request a waiver of all arbitration panel costs in order that the record of the CARP might be fully developed with regard to information relevant to noncommercial broadcasters such as KUGS.

Respectfully Submitted,
